WHO ARE WE?

Since 2003, **Contemporary Linens** has been providing fine linens & bedding, amenities, small appliances, interior designing and much more to the hospitality and healthcare industries on Botswana. Having captured a significant share of the market with Botswana's leading **Hotels** and **Lodges**, our distinguished reputation amongst our valued clients, is well established. Due to the spectacular success enjoyed locally, we now satisfy demands within the SADC region as a whole. Our expanded manufacturing capabilities along with long term relationships with manufacturing partners located domestically and abroad, ensure a wide range of quality products while our strategically located manufacturing warehouse ensures quick on time delivery with emphasis on zero back-orders. However, the cornerstones of our success have always been our commitment to our customers and our dedicated associates throughout the region. Contemporary Linens is also the sole appointed agents for the Nortex luxury range of towels as well as The Bespoke Amenities Company.

WHAT WE PROVIDE

At Contemporary Linens, we are extremely proud of our outstanding tradition of providing quality linen and thousands of related products to many industries across multiple market segments including hospitality, healthcare, government, parastatals and corporate entities.

WHAT WE PROVIDE

HOSPITALITY PRODUCTS

We offer a wide variety of quality linens, bedding and related products. Our team of vastly experienced directors and staff has done their dues over the years in the textile industry and are ready to meet all of your hospitality needs.

TOWELING

As the sole agent of Nortex in Botswana we offer thick, fluffy, soft to the touch, durable and highly absorbent towel options for the Hospitality Industry. The luxury and elegance that comes with the Nortex Hotel Collection range has stood the test of time and guarantees a 5 Star feeling every time.

GUEST AMENITIES

We provide a vast array of high quality amenity collections that will surely satisfy the needs of the economy traveler to the most discerning five star guest.

WHAT WE PROVIDE

INTERIOR DESIGN SERVICES

We proudly provide professional interior design services and related products for all your hospitality needs. We also provide the same to several local government offices/branches, parastatals, mines (i.e. Debswana), and corporate entities throughout the region. Our service is coupled with an extensive product range that encompasses a variety of qualities, styles, textures, colors and innovations for aesthetic and functional purposes.

HEALTHCARE LINEN

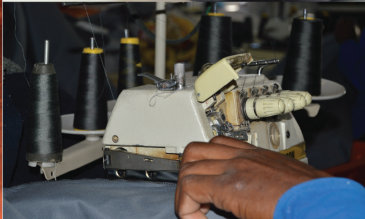

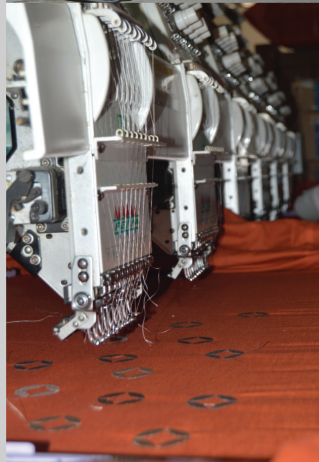

We offer a comprehensive line of healthcare linen and related products to local facilities, hospitals and clinics.

ECO-FRIENDLY PRODUCTS

Our commitment towards preserving our environment is evidenced by our wide range of growing eco-friendly products.
